President's word

Dear colleagues,

On behalf of local organizing committee and as a President, it is my great pleasure to invite you to attend the 20th European Congress of the International Association for Adolescents Health (IAAH), that will take place between 14th and 16th of September, 2016, in Pristina, Kosovo.

Getting a better knowledge on the role and impact of social media during adolescence is crucial for all adults in contact with young people.

The 20th European congress of IAAH will offer a multidisciplinary platform allowing researchers , students, professionals but also young people and parents to exchange on latest developments and emerging challenges in adolescent health.

Pristina, the capital of Kosovo, is a city that has a deep and fascinating history. It is our pleasure to provide a rich social program.

I look forward to meet you all in Pristina,
Fitim Uka

President of the 20th European IAAH Congress 2016

About the European Congress location and venue

Aiming to attract an international audience of adolescents' health experts, the 20th European Congress of IAAH will be held in the newest country in Europe - Republic of Kosovo. The Congress venue will be the Hotel Emerald in downtown Pristina.

Kosovo has a large population (more than 20%) of adolescents and based on the interest for this European Congress, we are expecting to have more than 1000 participants with local, national, regional, and global experts in the field presenting their research.

Local and international participants will be able to share their experiences during sessions with simultaneous translation in the main venue. Throughout the last several European IAAH Congresses, youth participation has been a corner stone and will continue to be instrumental in this jubilee.

Preconference (Sept 14th): choice of skill-building workshops.

During the two days of the conference (September 15 and 16th) parallel plenary sessions, workshops, poster sessions with a wide choice of topics.

On September 17th, Kosovo during day trip for interested participants.

Abstract submission for the 20th European IAAH Congress is now open

We invite all health professionals, researchers, professors and devoted students to submit their abstracts for the 20th European IAAH Congress.

The goal of the conference is to exchange ideas about best practices across all fields of adolescents' health. The abstracts may be research-focused, clinical-focused, or program focused, and we welcome oral and poster presentations. All abstracts will be reviewed by the Scientific committee.
